

April Newsletter 2022

Dear Parents,

Well it is officially spring! Now we are just waiting for all the snow to end. In just two weeks time we will celebrate Easter. As spring begins to bloom into a new season of life, we are reminded of the day that Jesus conquered death and won a new life in heaven for all believers. May we all bloom and grow into strong Christians families, knowing that salvation is ours. Let us rejoice and be glad!

Jesus Time: We were fortunate to have Pastor John talk to us about Ash Wednesday—some of our 4K friends even received ashes! We learned about two very special miracles that Jesus performed. He was able to calm the storm—Even the winds and the waves obey Him Matthew 8:27 and He was also able to feed the 5,000 Matthew 14 13-21. It was truly amazing how Jesus was able to give thanks to God and broke the 5 loaves of bread and 2 fish, sharing the food with His disciples and all the people. When all were satisfied they had 12 baskets full of food leftover! Lastly we learned about Mary and Martha—and how we should always PUT GOD FIRST!!!

Our 5 senses were so much fun to explore! We learned all about our sense of sight, smell, taste, touch and hearing. We were able to build Mr. Potato head...and focus on which part of our bodies we use for each sense. We played "what's missing" by looking at things on a tray and seeing which item was removed and we also watched as water walked from one cup to the next...making new colors along the way. We painted with scented paint. We listened to jars with different amounts of water in them to hear the different tones and we also listened to different musical instruments and had to guess which instrument it was. We also started learning a little about spring and all the changes that happen. So keep your eyes peeled for signs of spring!

A look ahead:

April 15 & 18 No school

April 20 Seussical The Musical (see you at the High School auditorium)

May 19-20 parent teacher conferences

May 25 picnic and program

April Curriculum 2022
